## Baseball Notes

Playing at Strathmore's postponed Sports Day Wednesday the local ball team composed largely of the Juniors gave a very credible performance against the Seniors of the northern town. The boys played a double header and came out on the short end of both games by the score of 11-6 and 2-0.

The afternoon encounter saw Strathmore pile up an early lead on errors by the locals. Joe Dumka buried good ball but support failed at critical times. Donald Bowman hit to deep left field for home run in the first inning. Leroy Richards pitched the last three innings of the first game and allowed no hits and no runs.

The evening game was a snappy one from the start with Richards on the mound for the locals. Strathmore were able to score two runs which were both unearned and only for a little misfortune the game should have ended in a scoreless tie. Richards was master of the occasion from the start pitching sensational ball in two innings with the bases loaded and nobody out to retire the next three batters.

## Canadians Learn Canada

Travel from the towns and villages of Canada into the major cities, and vice-versa from the cities to the towns and villages as well as inter-city travel has been given an unprecedented impetus by the policy of the Canadian Pacific Railway in introducing the low rate bargain return excursion feature into the company's activities during the current year. Since February last and up to mid-November for the East of Canada, the railway's passenger department gives a figure of 65,000 passengers who have availed themselves of these exceptional opportunities to familiarize themselves with the Dominion.

The beautiful countryside of Canada in all its seasonal aspects has been brought to the doors of the city dweller and the people of the cities have learned to get acquainted with their fellow-citizens of other cities to a degree probably unparalleled in Canadian history by this innovation in railway operation. Distances have been annihilated by these extremely low fares and from the Maritime Provinces to Montreal; from the coast to the borders of western Ontario, to the capital of Canada, to the ancient city of Quebec, to Toronto, London and on to Windsor, Detroit and Chicago, and to scores of intermediate places, there is scarcely a point that has not been brought into close touch with all others.

Mr. Alex Henry had the misfortune to have his leg broken Wednesday, while plowing. He was attended by Dr. E. J. Liesemer.

## Heavy Cost of Highways

Auto-mobile owners in Canada are paying a heavy price for the use of roads of which there are 393,320 miles open for highway traffic in Canada in the most recent figures of the Dominion Bureau of Statistics. Of this total 91,311 are surfaced and 302,009 are unsurfaced. All these roads are outside of incorporated cities, towns and villages under the jurisdiction of provincial highways and also such roads under local jurisdiction.

The price of these roads to Canadian motorists in 1932 in the form of taxes on gasoline and registration amounted to \$48,209,587 which is collected, under the original plan, for building and maintaining roads. This amount was paid by slightly more than 10% of the population who owned motor vehicles in this year, 1,114,503 registrations being included in the bureau's figures.

In the previous year, the bureau showed a grand total of 396,200 miles of road open for traffic, as in the 12-month period of the was an increase of only 24 miles in the whole of the Dominion, revenue from registrations and gas tax increased from \$42,231,027 to \$48,209,527 in the same period.

Capital expenditures on roads in 1932 showed a drop of \$14,135,328 from 1931, while maintenance expenditures in 1932 were \$687,633 below the 1931 figures.

In the same period government collections in gasoline taxation and registration fees increased by \$5,978,500 and last year preliminary reports of the bureau show a further increase of \$6,747,755 over the 1931 figures for gasoline taxation and registration.

## Buffalo Hill News

A shower was held at the home of Mrs. Frank Lent on Thursday Aug. 2 for Mrs. James Wyatt, by the Eastway Ladies Social Club. A beautiful supply of gifts for this popular young bride was in evidence. The test was held which was won by Mrs. James Douglas. After the serving of a dainty lunch the many friends and guests departed, wishing Mrs. Wyatt the best of luck.

The crops are ripening very rapidly now, hastened by the continued heat and excessive dry weather, which is detrimental to the billing of the wheat heads. Cutting will be general in about a week or ten days.

There was another shower held at Lomond on Saturday Aug. 4th for Mrs. James Wyatt of which many splendid presents were given. We would like to mention in passing that although these numerous showers do not benefit the grain crop very much, nevertheless they make some people feel happy and we wish them the best of luck.

Mr. Frank McInenly with Martin, Percy and Agnes visited at De Winton over the weekend with the Meehan family, where Agnes remained for a visit. Harold Meehan accompanied Mr. McInenly home, where he will spend a holiday.

Doris McInenly is the guest of Grace and Freda Board in Arrowwood this week.

The first load of this year's wheat was delivered to the Poot Elevator this morning by Mr. Paul Norton and was a fair sample. Mr. Norton figures the yield will be about 18 bushels to the acre.

## Church of the Brethren Notes

We had a very interesting Peace Declaration Contest at the Church of the Brethren last Sunday night.

There were six contestants namely, Peggy Ellis, Edith Beagle, Grace Board, Dorothy Wiscord, Jean Larsen and Raymond Lewendon. They all did very well, and it is felt the Judges, Mrs. L. E. Parnell, Miss Grace Brubaker and Mr. C. Brubaker, gave a very fair decision in awarding Jean Larsen first prize, Grace Board second and Peggy Ellis third.

Let us have more of these contests as they are not only interesting, but worthwhile. It is hoped that more children will enter next time and make it even better than this time.

## Trading At Home

Another phase of trading at home with the people you know is illustrated recently in the loss sustained or to be sustained by a large number of farmers and stockgrowers in this district who stand to lose about \$6,000 in worthless cheques, issued for the purchase of their products by outside buyers. These fly-by-night buyers often bait their hooks with the angle worms of higher price promises, bambling themselves upon the markets without any guarantee of being able to fulfil their bargains. Crash goes the market and their worthless cheques are not met at the bank, and so the people pay for their folly.

This is a similar deal which many mail-order firms, and door-to-door canvassers hand out to the local buyers, only the tables are turned slightly. They offer cheaper prices as the bait to buy, and the people at home, within themselves, now look how the local merchant has been robbing us all these years. When the goods are delivered, if they really are, you often find an article wholly unsatisfactory, and no possible chance of refund or return of the goods. The fly-by-night canvasser is gone, no one knows where, gone to try out his

scheme upon the gullibility of some other unwary community.

The local buyer of your hogs, or your cattle, or your sheep, or your wool, or your horses, in business to do, have many people will jump at the so-called bargain, buying stuff away from home without guarantee spending their hard-earned money for something not needed and more often worthless or inferior to the local goods offered.—Ex.

## Here and There

The British Columbia Chapter of the I. O. G. E. held its "meeting of age" meeting at the Empress Hotel, Victoria, recently, at its twenty-first annual convention. Premier Pattullo welcomed delegates from all over the province and many distinguished guests were present.

The annual reduction in cost of summer railway travel under the heading of low summer fares, will be put into effect by the Canadian Pacific Railway on May 15th next, according to official announcement. The reduced fares will have extensive limits and stopovers.

Port Hops, on the south bank of the Fraser River, ninety miles from Vancouver by the Canadian Pacific, is a place where the Almighty has most lavishly set down in a land of wonderful beauty rivers and lakes abounding in game fish, writes R. Stuart Kennedy, editor of Western Fisheries.

Dr. Frank N. D. Buchanan, leader of the Oxford Group movement, is expected to launch another campaign in Western Canada this Spring, commencing at Winnipeg May 1, taking in Regina, Saskatoon, Calgary, Edmonton, Vancouver and Victoria, and culminating with a selective "house party" at the Banff Springs Hotel early in June.

The success of low cost all-expense tours in the Canadian Rockies instituted by Canadian Pacific Railway last summer has prompted the company to repeat these tours, this and six-day trips during the coming summer. Each trip affords 154 miles of motoring, and can be made either eastbound from Field, B.C., or westbound from Banff, Alberta, at the convenience of passengers.

A. C. Leighton, R.E.A., president of the government art college at Calgary, who will again this summer hold his summer art school for selected students from the Province of Alberta at the Kananaskis Lodge Ranch, near Banff, has picked a location surrounded by the most magnificent of Rocky Mountain scenery.

The skunk is not the king of the woods, said George Corran, naturalist, addressing the Kiwanis Club at the Royal York Hotel recently. "Hold him up by his tail," said Mr. Corran, "and he will become innocuous." He didn't tell the Kiwanis if he actually accomplished this feat.

Plans for the musical festival of Western Canada during the coming year with a tentative discussion of policies for the next two seasons, were featured at a meeting of delegates of Western Competition Festivals recently at the Palliser Hotel, Calgary.

John Jacob Astor and his bride have decided to extend their honeymoon tour to the Canadian Rockies and British Columbia. "We intend to stop over at Lake Louise," said the young millionaire, "and then move on to Vancouver, taking in the sights on the way."

Captain R. G. Latta, skipper of the liner Empress of Britain and commodore of the Canadian Pacific fleet, retired from active duty recently. He was succeeded on the bridge of the British by Captain R. N. Stuart, V.C., D.S.O., V.E.N.C., R.D., R.N.R. Captain Stuart was promoted to the post of commodore of the Canadian Pacific fleet.

Indicating the trend towards greater production and recovery of business, substantial increase in the second quarter of 1934 as compared with the corresponding period of 1933 is shown in the recently published production figures of Consolidated Mining and Smelting, one of world's greatest mining companies.

Driving a highly decorated locomotive into the Canadian Pacific Railway depot at the end of the Calgary-Edmonton run recently, A. N. Hobbick, veteran engineer, completed 43 years of continuous service with the railway, most of it at the throttle of an engine. "I have always liked my work and I hate to quit," said Mr. Hobbick.

Founded June 15, 1874, by George and Mathew Reilly and with agencies, warehouses, offices or depots across Canada, New Zealand, the United Kingdom and fifty other countries, the national and world-wide exporting house of Reilly Bros. manufacturers of washing machines and farm implements, celebrated the Diamond Jubilee at Perth, Ont., last month.

John F. Sweeting, industrial commissioner of the Canadian Pacific Railway, states in an official publication of the railway that there is a decidedly firm tone of confidence in the West and increased activity in many industries, with the tourist business promising to be better at all resorts this year.

An increase of \$77,500 lbs. in the Nova Scotia lobster catch during the month of May was instrumental in raising the landed value \$13,445 over the same month in 1933, according to an announcement by the Department of Fisheries on June 25th.
